

## United We Care Fund

### ***Pledge Card***

This is an opportunity for you to contribute to United We Care. It is strictly voluntary and requires a minimum contribution of \$1.00 (one dollar) per week.

The United We Care Fund was established in 2007 for the sole purpose of providing *emergency* financial assistance to United Supermarkets Team Members who, in the event of an unexpected crisis, may apply for financial assistance.

- I understand the United We Care Fund, hereafter referred to as “Fund,” is administered by an *independent committee* made up of United Supermarkets Team Members that make final decisions independent of United Supermarkets. The “Fund” is a *501(c)(3)* nonprofit organization. The donation is fully tax-deductible.
- I understand that this contribution will be deducted from my weekly paycheck and deposited into the United We Care Fund.
- I understand that all donations to the Fund become the property of the United We Care Fund, and that if I wish to change or discontinue my contribution, I must complete a new pledge card.
